Dear Mayor Champagne:

We are writing with sincere gratitude to acknowledge East Ferris' annual and final payment of \$28,000, completing your generous \$750,000 pledge in support of North Bay Regional Health Centre.

This milestone represents a remarkable commitment to healthcare close to home. Your investment has helped strengthen care for patients and families across our district and region, supporting the advanced equipment, technology and resources our hospital teams rely on every day.

Thanks to your support, NBRHC continues to evolve as an accredited and unique health services provider with three important roles: providing acute care services to North Bay and surrounding communities, serving as the district referral centre for specialist services, and delivering specialized mental health services for northeast Ontario.

Your partnership helps ensure patients can access more advanced levels of care closer to home, reducing the need to travel and supporting families during some of life's most difficult moments. That impact is felt across our communities, including by the residents of East Ferris who depend on strong, local healthcare services.

On behalf of the North Bay Regional Health Centre, thank you for fulfilling this generous pledge and for your continued commitment to the health and well-being of your community.

With sincere appreciation,

Paul Heinrich
