Dear Conservation Authority CAOs, General Managers, Board Chairs, Mayors and Heads of Council:

I am writing to announce the members of the transition committees that will support the implementation of regional conservation authority consolidation.

As you may recall, transition committees will provide advice and operational expertise to support transition activities, including the development of transition plans for each new regional conservation authority.

Committee membership includes the current CAO or General Manager and one board member from each existing conservation authority participating in a regional consolidation.

Each committee will be chaired by a dedicated project executive who will oversee transition activities and provide continuity by serving as the first Chief Administrative Officer of the new regional conservation authority for up to two years. Project executives were recently appointed.

Following a brief orientation period, project executives will convene their transition committees and begin transition planning activities in the coming weeks.

Please find below the membership of the transition committees for each of the eight new regional conservation authorities.

Thank you for your continued leadership and partnership as we work together to establish strong, effective regional conservation authorities.

Sincerely,

Hassaan Basit
CEO
Ontario Provincial Conservation Agency
