RECEIVED

Dear Municipality employees,

We want to thank you so much for supplying so many great prizes for the Nosbonsing Anglers and Hunters and Youth Outdoors Club, Kids, Cops, Canadian Tire Youth Fishing Tournament. The tournament was held on Lake Nosbonsing on July 26, 2026 and was a huge success. Your donation helped to make the event extra special and allowed us to provide all of the kids with great prizes and things to take home to help them to remember the day. Our goal is to celebrate the joy of fishing and being outdoors and the prizes you provided will help to ensure that the memories will continue well past the actual tournament day. Your generosity is very much appreciated.

Once again, we want to thank you for your contribution to making this event a huge success.

Sincerely,

A handwritten signature in dark ink that reads "Donna Couch".
